All Baronies of the Middle Kingdom are required to publish a newsletter quarterly, even if they have a web page. If you would like to submit an article to the newsletter, please send it to the Baronial Chronicler.

An electronic version of this newsletter can be found on the Barony of North Woods web page, under Missives.

Barony of North Woods

Baronial Council Meeting

April 23, 2017 (action items are in **bold**)

Their Excellencies (Maximilian and Gwenllyen) -

- Please submit award recommendations. Copy TE when you submit recommendations to the online system. (<http://www.midrealm.org/op/recommend/login.php?from=/op/recommend/>)
- TE request that the populace please help support North Woods events by attending them as they are able to.
- The baby project is continuing and much progress was made at Golden Seamstress. Tess made and donated 22 crib blankets for the project and should be commended. Let Her Excellency know if you are interested in helping in the project, even if it is to donate to a different hospital. **Her Excellency will post additional details and a pattern to the Facebook group.**
- Championships- All youth champions will be chosen at It Takes My Child. TE are specifically seeking candidates for youth A&S champion. The armored champion will be chosen at Battle of the Inland Seas. The rapier, thrown weapons and A&S champions will be chosen at Tyger Hunt. The archery champion will be chosen at Call of the Waterhorse.
- Pentamere A&S made a profit of around \$140.
- TE are tentatively looking into stepping down at Coronation 2018, depending if a bid to run the event by North Woods is accepted.
- There are opportunities for two demos, one at the Holly Rennfaire and another at Canterbury village. The latter of which has a large field that may be a potential site for a Rose Tournament in the future.
- Pennsic- The fighter bags will be made again this year. The baronial party will be held Tuesday night of war week and will have a 'tea party' theme. Please submit classes and tournaments this week as the deadline is approaching.
- TE proposed a \$150 budget for the Knowne World Baronial Rapier Champions tournament luncheon. The measure was passed. They are also looking for help to run this. Please contact TE if interested.
- TE proposed a \$100 expense for rental of a 20x30 shade pavilion for the battlefield to be shared by Pentamere (other baronies have already chipped in). The measure was approved.

Officer Reports

Seneschal (Lucien Featherstone) - There is a new section in the group transitions document regarding the transition of a shire to a canton.

Exchequer (Brigida Alderotti) - If any event wishes to use PayPal or card payment then the local exchequer and event steward must attend training in how to handle the process. A list of available class locations is in the Pale. It is important to note that monthly reports must be current to use these options.

- Approximate balance is \$2197, not including Pentamere A&S.

Minister of Arts and Sciences (Fujinami no Kaede) - The new report form is being updated. Please include classes taught and the number of attendees of each class on reports. Perhaps the easiest way to capture this information is to have a sign in sheet for classes. Also include demos ran/ participated in as well as award recommendations.

- A good practice for assisting in the submittal of award recommendations is to maintain a listing of what events members are thinking of attending on a Facebook post, or something equivalent.

Chronicler (Sugawara no Tokihira) - The newsletter backlog is complete and has been sent to the Webminister for inclusion to the baronial website.

- Another newsletter is being composed. Please submit ideas or articles to Sugawara.

Herald (Verrix Verrtissignos) - Not present. Nothing reported.

Web Minister (Rocco Barbarossa) - The 2015-16 newsletters have been uploaded to the website.

- Rocco met with Paiva in order to assist in updating the Ealdnordwuda website.

- Kingdom has created new email accounts for all officers (local, baronial, etc.). **Rocco will update the appropriate information and send login credentials to users at the baronial level.** Let Rocco know if anything is wrong. He will be sending a test email to verify accounts and ensure forwarding is functional.

- If a group would like to update any information on the baronial website, please contact Rocco.

Knights Marshal (Bjarg Kormaksson) - Not present. Nothing reported.

Rapier Marshal (Sugawara no Tokihira) - Reports are due by 5-1.

- Please advertise local practice times and locations and Sugawara will cross post as needed.

- Contact Sugawara if you are interested in him hosting a local rapier practice and are in need of a marshal.

- Sugawara will also pass along notification of regional rapier practices.

Chatelaine (Rycheza Tkaczyc) - Not present. Nothing reported

Minister of Youth (Open Position) - Term has ended (as of 1-31-17) and since there is not currently an officer in this position, it will be listed as an interim position until a replacement can be found. This means that the position will be listed in each election year for the remainder of the term.

It is requested that all Canton officers copy their respective Baronial officer when they report. Baronial officers should copy the Baron and Baroness and the Seneschal. If an officer is unable to make a meeting, a brief report should be sent to the Seneschal beforehand.
